**ANDREW LOW
VICE PRESIDENT, SERVICES
ASIA PACIFIC, NETWORKS, NOKIA**

Andrew Low is Vice President, Services, Asia Pacific, Nokia Networks. Appointed in February 2005, Andrew is responsible for managing the Networks group's Services business with operator customers across Asia Pacific. Based in Singapore, Andrew plays a key role in defining and orchestrating Nokia's Services strategy in the APAC region.

Andrew has 22 years of services experience in the Asia-Pacific IT industry and joins Nokia from Sybase. His previous experience include spending 12 years in various senior management positions in Hewlett-Packard / Compaq where he transformed, built and grew the services business. His experience covers all aspects of services including consulting, systems integration, managed services, education and customer support.

Born in Kuala Lumpur, Malaysia in 1959, Andrew has a degree in Computer Science from the University of Texas, USA. He is married with one child.
