

What does your inner light reveal?

The Nokia 8600 Luna is an exquisitely-crafted masterpiece with unique keymat illumination under smoked glass and 'alive' lighting that pulsates when the phone is idle. Encased in an all-glass front and stainless steel back, view photos taken with its 2 megapixel camera on high-quality QVGA that can display up to 16 million colors while enjoying advanced connectivity on-the-go with stereo Bluetooth, FM radio and multimedia streaming.
