

## Mobile email made easy

Make your office mobile with the Nokia E75 by checking and sending e-mails easily on-the-go with a side-slide keyboard. Keep your inbox organised with simple sorting functions while you open attachments or surf the Internet with style in wide, expansive views.

### Features at a glance

- Reach colleagues, customers and friends when you're travelling - it's easy to send, receive and store email using your Nokia E75.
- Relax during your free time - browse the web, find your way using Maps, and enjoy music and videos, all from your Nokia E75.
- Use the side-slide full keyboard to stay on top of your work. Keep your calendar updated, take notes and send instant messages.
